

Need Some Extra Cash This Summer?

Put some cash back into your pockets by taking advantage of our Skip-A-Pay offer!

Postpone making your July, 2010 loan payment (either one monthly payment or two biweekly payments). If you make your regular loan payments via electronic payroll deduction, the amount of your skipped payment(s) will be deposited into your share or share draft account at the credit union.

To take advantage of Skip-A-Pay, there is a \$25 per loan processing fee.

The following loans are NOT eligible for the Skip-A-Pay Program: Delinquent loans and accounts not in good standing, Mortgage loans, Open-End loans, and loans with balances under \$1,000.00.
